

## PALLAVAS IMMIGRATION? (Father of “DARK RICE”)

M.Arulmani *B.E.(Engineer)*, V.R.Hema Latha *M.A., M.Sc., M.Phil.(Biologist)*

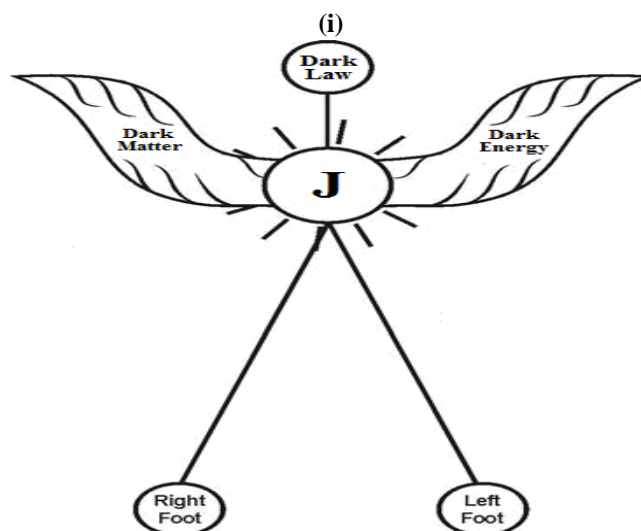

**Abstract:-** This scientific research focus that **Ancient Pallavas race** called by author as “**FLYING PALLAVAS**” shall be considered as origin of ancient human race on the “**Earth Planet**” lived in **KACHCHA THEEVU** (3,00,000 years ago) even before emission of **1<sup>st</sup> sun rays** on the earth planet. The scientific research focus that the Pallavas race shall be considered as ancient angel race migrated from **DEVAS RACE** of white planet (also called as mother planet of universe). The Pallavas race shall also be considered as expert in stone architect work, father of dark rice and inventor of “**IDLI FORMULA**”.

**Who I am?...**

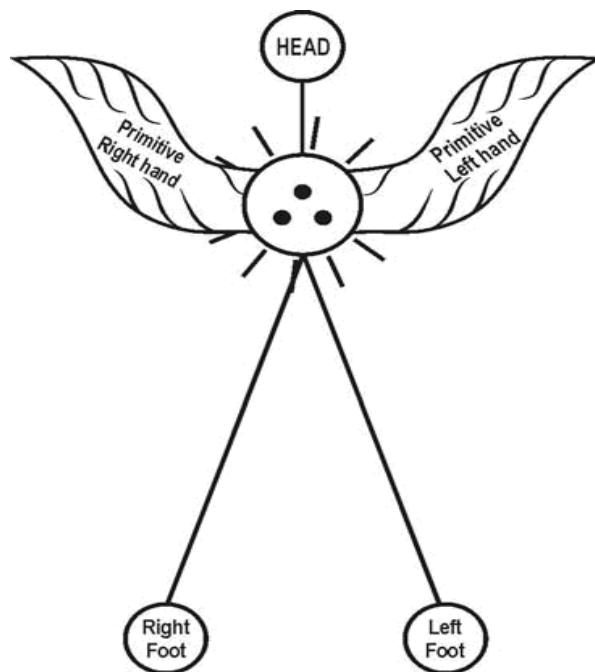

**I am ETHIAN...  
DARK ANGEL of Earth...**

The authors hypothetically call the name of dark angel as **BLACK OBAMA** son of “**BHARATH OBAMA**” of **AETHIA** (White planet). The Philosophy of Bharath Obama and Black Obama shall be described as below.

**BHARATH OBAMA  
(Aethian)**

(ii)

**BLACK OBAMA  
(Ethian)**

This scientific research further hypothesize the following for international understanding for further intensive research for the benefit of global population.

- (i) Megastar shall be considered as source of universal energy rather than SUN
- (ii) Philosophy of continental growth of **land mass**
- (iii) Philosophy of growth of **mountains**
- (iv) Philosophy of growth of **ocean**
- (v) Philosophy of growth of **galaxies**

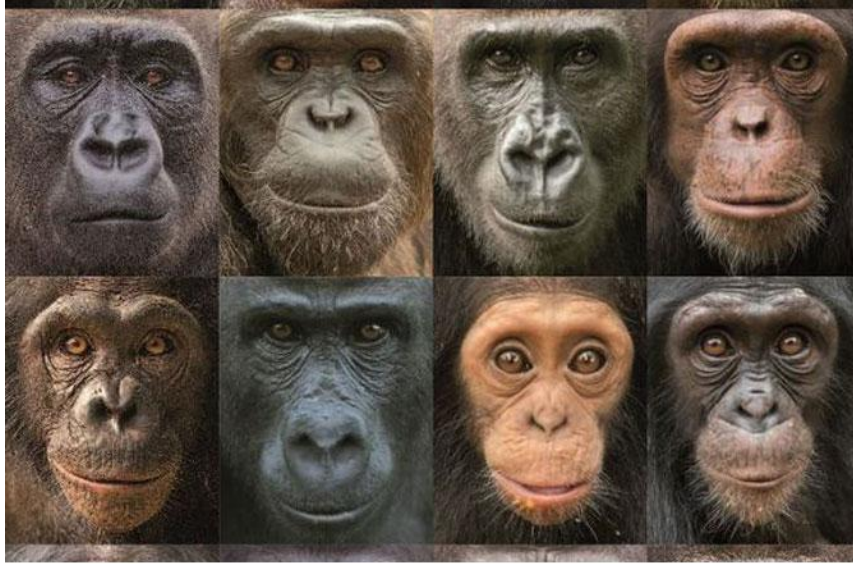

**Keywords:-**

- i) Philosophy of **Pallavas Immigration?**...
- ii) Philosophy of **Transgenders?**...
- iii) Philosophy of **Dravidian Era?**...
- iv) Philosophy of **January 14?**...
- v) Philosophy of **March 8?**...
- vi) Philosophy of **March 21?**...
- vii) Philosophy of **J-Rice?**...
- viii) Philosophy of **Caste and Race?**...

---

**I. INTRODUCTION**

In the history of human races, Archeologists, Sociologists, Scientists broadly believe that Ancient Human races are fundamentally viewed on two aspects i) **SCIENTIFIC RACISM** ii) **INSTITUTIONAL RACISM**. Further scientific study stipulated that human **characteristics and abilities** are determined by lineage of races.

### We have scientific Racism... But No Casteism...

Archeologists socialists further believe that India has more than 2000 ethnic groups and all the ethnic groups might have descended from four fundamental **Ethno racial** groups as described below. In order to eliminate all forms of racial discrimination, casteism, UNESCO declared **March 21** as international day for elimination of racial discrimination.

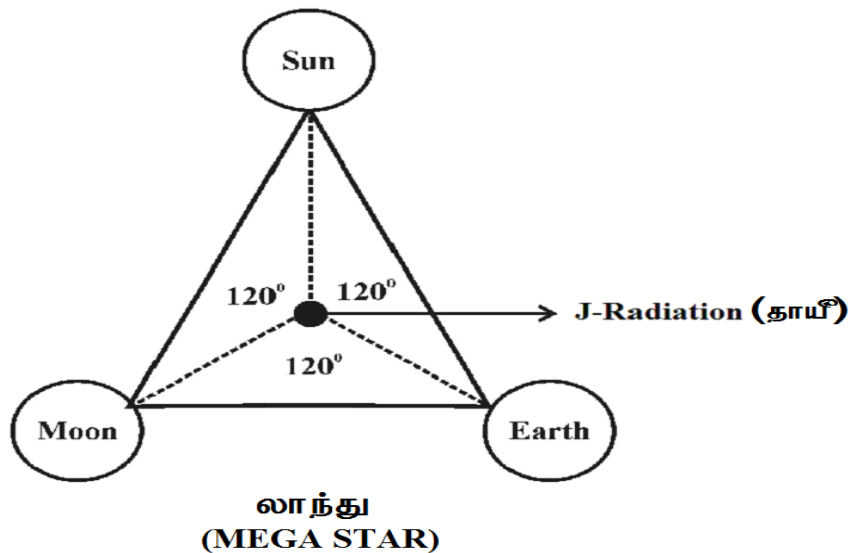

- i) **CAUCASOIDS** – Belong north central south west of India speaking Indo-Ariyan language
- ii) **AUSTRALOIDS** – Belong to North eastern India speaking sino Tibertian language
- iii) **MONGOLOIDS** – Belong to North Eastern India speaking Sino-Tibetian language.
- iv) **NEGRITOS** - Belong to South East India speaking Aboriginal language

This scientific research article focus that **Ancient Pallavas race** (Dark Angels) shall be considered as the Earliest race on the earth planet "**Immigrated**" from **Devas race** of white planet (White Mars). In brief Pallavas race shall be considered as ancient **ETHIANS**. **Proto-Indo** race origin shall be considered originated from **Ancient Pallavas origin**.

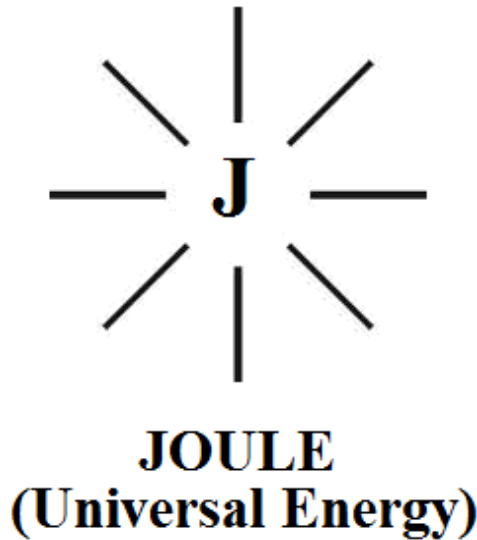

## II. HYPOTHESIS AND NARRATIONS

### i) Philosophy of "DEVAS RACE"??...

It is hypothesized that **Devas race** shall be considered as **NATURAL POPULATIONS** originated due to impact of "**J-RADIATION**" (Zero hour radiation) of **MEGASTAR** emanated near **white hole region** of universe and considered lived on **White planet** of Universe. The Devas population shall be considered as **ALIENS** having super wisdom and capable of controlling various planets in the early Universe.

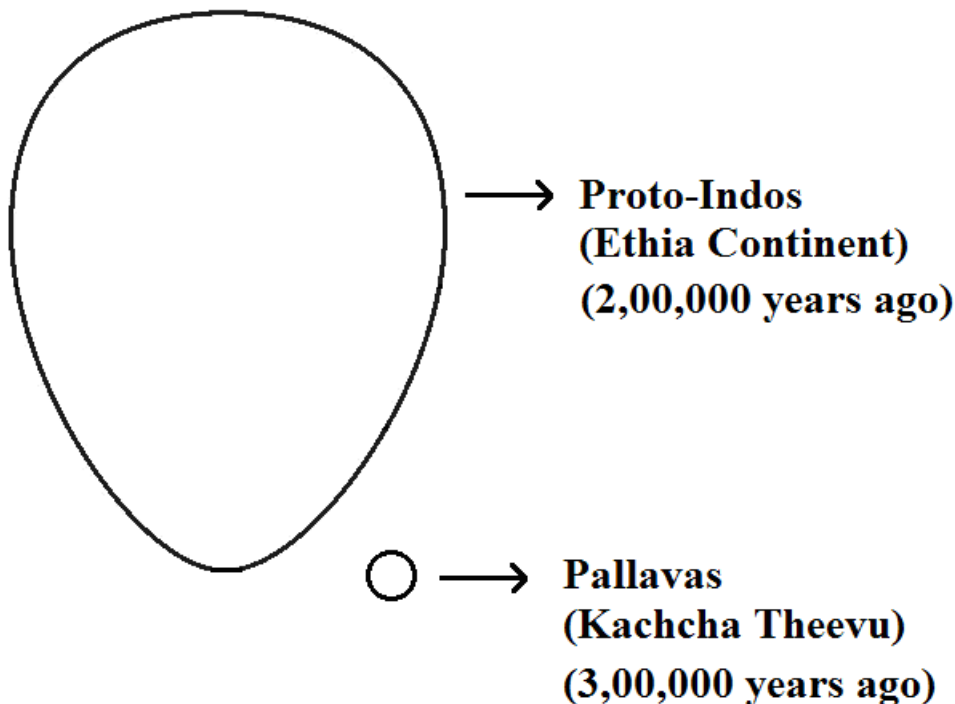

**SUN IS THE SOURCE OF ENERGY?... NO... NO... NO...** It is hypothesized that **J-Radiation** shall be considered as the point of origin of universal energy required for existence of all matters of the Universe including energy required for orbital rotation of **SUN, EARTH, MOON** on its axis.

ii) **Philosophy of "Pallavas Immigration"?**...

It is hypothesized that during the course of **PLASMA AGE** (dark age) of universe the **Devas race** shall be considered as genetically undergone changes and immigrated to Earth Planet (3,00,000 years ago) and become **ancient Pallavas race**. Pallavas race shall also considered as "**DARK ANGELS**". The Philosophy of origin of Pallavas race shall be described as below.

It is focused that **KACHCHA THEEVU** shall be considered as the **virgin land mass** descended from white planet and deposited over the surface of Earth planet. The land mass deposited on the crest of Earth shall be considered as grown as bigger land mass during the course of time which shall be called by author as "**ETHIA SINGLE CONTINENT**". The Ethia continent shall be considered as exploded geologically and become scattered land mass over the surface of Earth planet and exists in different region of the Earth planet under varied environmental conditions.

The Philosophy of Ancient Pallavas shall be defined within the following scope.

- (i) Ancient Pallavas shall mean **immigrated populations**
- (ii) Ancient Pallavas shall mean **super intelligent**
- (iii) Ancient Pallavas shall mean **expert in rock cut, stone architect**
- (iv) Ancient Pallavas shall mean **father of paddy cultivation, dark rice production**
- (v) Ancient Pallavas shall mean **lived under low oxygen content environment (primitive HCNO environment).**
- (vi) Ancient Pallavas shall mean having **single chamber heart and single blood type**. Additional three heart chambers, three blood groups shall be considered as evolved in three generations of the expanding Universe.
- (vii) Ancient Pallavas shall mean having blood of **high PH value and more alkali, say 8.0 – 9.0 PH.**

*"In proto Indo-Europe root Kachcha Theevu shall also be called as Virgin Island. The Philosophy of various English words ethics, ethno, ethioppa might be derived from the philosophy of ETHIA"*  
- M. Arulmani, Tamil based Indian.

### III. PHILOSOPHY OF GROWTH OF CONTINENTAL LAND MASS?...

Case study shows that **living organisms** such as plants, animals, birds considered grown to the level of higher size of organisms due to impact of **CELL DIVISIONS**.

- (i) **Continental land mass can grow?... Why not!...**
- (ii) **Ocean can grow?... Why not!...**
- (iii) **Mountain can grow?... Why not!...**
- (iv) **Galaxy can grow?... Why not!...**

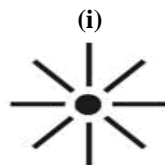

It is hypothesized that **SUN, EARTH, MOON** shall be considered as the **preexisting** supernatural element or supernatural **clock mechanism** responsible for existence of entire cosmo Universe. It is further hypothesized that the initial **land mass, mountain, ocean** shall be considered as descended from **WHITE PLANET** of **WHITE GALAXY** and deposited on **earth planet** and further growth of land mass, ocean, mountain continue to have evolved in three Generation of the **expanding universe** with formation of different layers of rock built over the surface of land mass, different layers of ocean, different layers of mountain. It is speculated that non organic matters can also grow and as such it shall be stipulated that the land mass, mountain, ocean on the earth planet **still grows** forever in micro level magnitude. It is further focused that the white galaxy shall be considered as the **NATURAL GALAXY** existing in the early universe and subsequently various galaxy such as dark galaxy, blue galaxy, green galaxy, red galaxy shall be considered grown in dark age and three Generation as **multiple layers galaxy** evolved to the fundamental natural galaxy. It is speculated that the growth of various galaxies, land mass, ocean, mountains shall be considered as responsible for Generation of **VARIOUS HUMAN RACES** on the earth planet.

### IV. PHILOSOPHY OF ORIGIN OF ETHNO INDO RACES?...

It is hypothesized that during the course of **expanding universe** three genetically varied races shall be considered evolved in **three generations** say, **γ**-age, **β**-age, **α**-age.

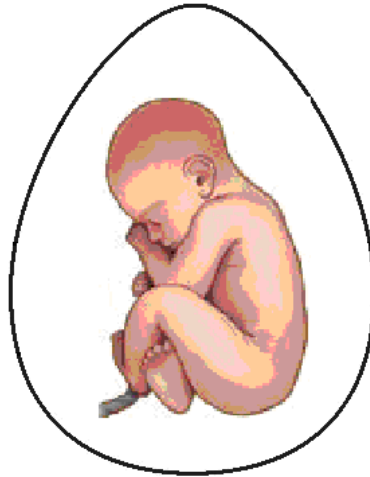

- i) **Gupta race** - **γ**-age (1<sup>st</sup> generation)
- ii) **Dravidian race** - **β**-age (2<sup>nd</sup> generation)
- iii) **Ariyan race** - **α**-age (3<sup>rd</sup> generation)

The three genetically varied races considered having variant **Nose structure** and profession shall be described as below.

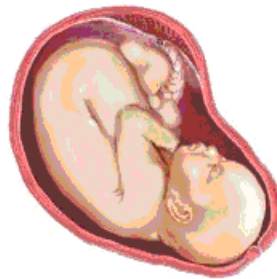

**AKKI-e**  
**(Mega Star)**

(ii)

**DEVAS RACE  
(Angel)**

(iii)

**PALLAVAS RACE  
(Plasma Age)**

(iv)

**GUPTAS RACE  
(1st Generation)**

S.No.	Race	Nose structure	Profession	Period
1	Devas (Angel race)	Narrow, downward Projection	Astronomy	5,00,000 years ago
2.	Pallavas (Transformation)	Broad, upward projection	Stone Architect, Dark rice cultivation	3,00,000 years ago
3.	Guptas (1 <sup>st</sup> generation)	Broad, downward projection	Metal structure	2,00,000 years ago
4.	Dravidian (2 <sup>nd</sup> generation)	Narrow, upward projection	Ruling	1,00,000 years ago
5.	Aryians (3 <sup>rd</sup> generation)	Narrow, downward projection	Astrology	10,000 years ago

An illustration from Harper's Weekly shows an alleged similarity between "Irish Iberian" and "Negro" features in contrast to the "higher" "Anglo-Teutonic."

- i) Devas is like Ethical
- ii) Pallavas is like Militant
- iii) Guptas is like Secular orthodox
- iv) Dravidas is like Democratic
- v) Ariyas is like Social

The philosophy of Dravidian shall mean the origin of new genetically varied race when **first sunshine** occurred on the Earth planet (1,00,000 years ago). Prior to origin of sunlight the Gupta race and Pallavas race shall be considered as lived and sustained life due to influence of **J-RADIATION**.

*"The Philosophy of caste and race shall be considered closely associated with three genetically varied environmental conditions. The origin of UV, RF, IR band shall be considered have impact on evolution of fundamental three race and billions of radiation emanated within each band shall be considered as varied caste species."*

- Author.

#### V. PHILOSOPHY OF "TRANSGENDERS" (3TH GENDER)?...

Case study in cell biology shows that "Mitochondrial DNA" is concerned with lineage of Female origin and **Y-chromosome DNA** is concerned with lineage of Male origin currently the origin of Y-chromosome is still order debate among scientists.

It is hypothesized that both Male, Female gender consider originated from **ANGEL RACE** (DEVAS) (ie.) Male from Male Angel, Female from Female Angel.

Further it is hypothesized that in the early Universe in Devas race Male Angel shall be considered responsible for **PREGNANCY** and population generated through Egg formation due to impact of **J-Radiation** without any **sexual act**. In Pallavas race Female shall be considered as responsible for Pregnancy through **EMBRYO** derived from male and female parent and population generated through **sexual reproduction**.

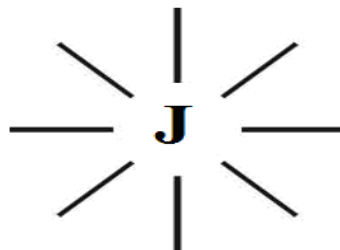

## **Gene Transfer?...** **(Male Pregnancy)**

*“Transgender shall mean Transformation of state of Male pregnancy to Female Pregnancy during Plasma age of Universe (3,00,000 Years ago)”*

*- Author*

### **VI. PHILOSOPHY OF JANUARY 14?...**

It is hypothesized that January 14 shall be considered as the era pertain to before Plasma Age of Universe when “**J-RADIATION**” (Zero hour radiation ) shall be considered as originated near white hole region of Universe. The white planet (mother planet), Devas populations shall be considered as originated due to impact of **J-RADIATION**. In proto Indo-Europe root the J-Radiation shall be called as **THAI-e**.

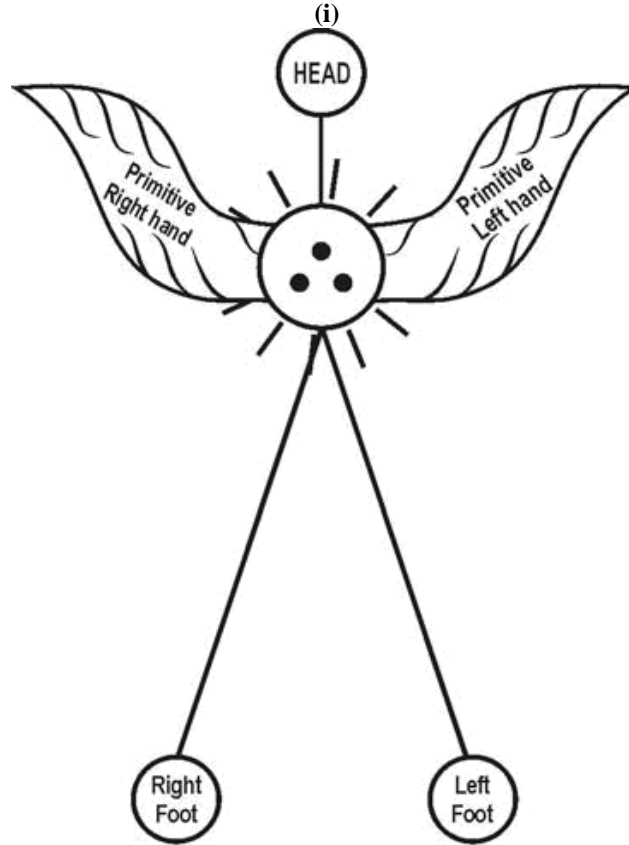

**தை**  
**(Thai-e)**  
**(January 14)**

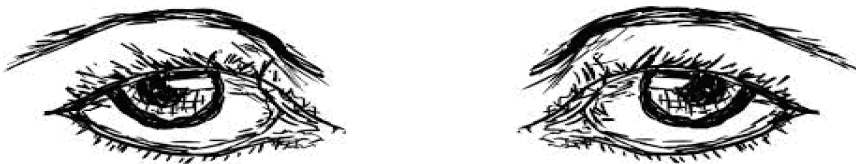

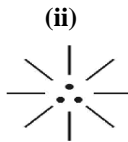

**VII. PHILOSOPHY OF APRIL 14?...**

It is hypothesized that "April 14" shall be considered as the stage at which the Devas race **MIGRATED** to "Earth planet" during plasma age and become "PALLAVAS RACE" with varied genetic characteristics. In proto Indo Europe root Pallavan shall mean "**Father of Kachcha Theevu** (Thyalan)", Pallavi shall mean "**Mother of Kachcha Theevu** (Thyal)". **FEBRUARY 24** shall be considered as the annual festival of Pallavas race in commemoration of birth of **super solid planet** (mother planet).

**பல்லவன்**  
**(Father of Kachcha Theevu)**  
**(April 14)**

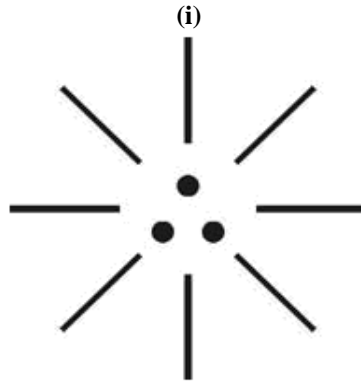

**பல்லவி**  
**(Mother of Kachcha Theevu)**  
**(April 14)**

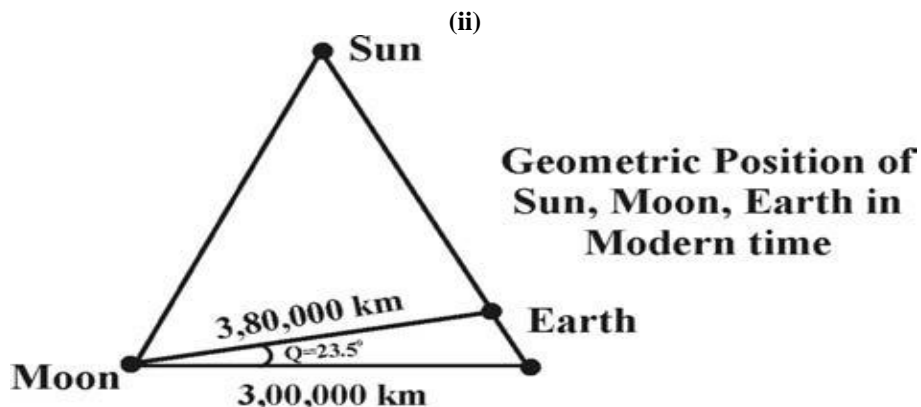

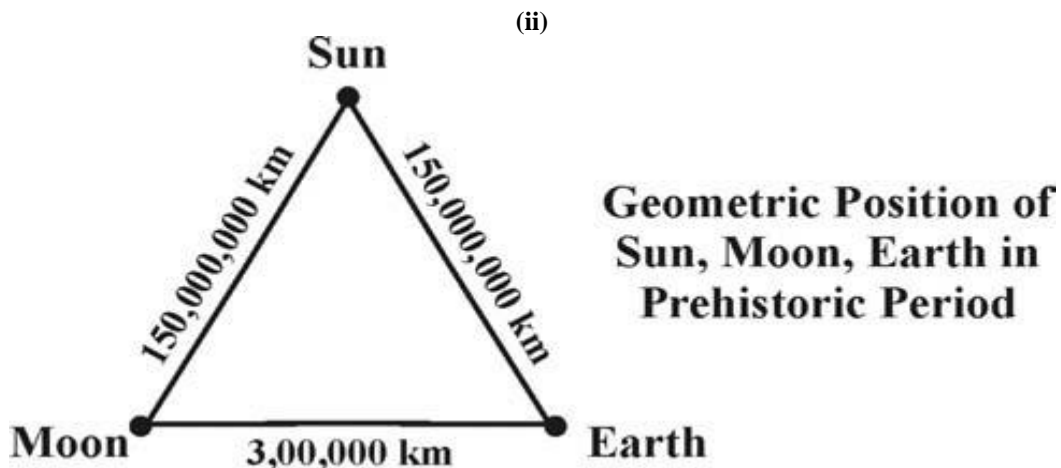

**VIII. PALLAVAS CONSTRUCTED GREAT PYRAMIDS?...**

It is focused that the Philosophy of existence of Great pyramids of Egypt is still under debate among global scientists, anthropologist. It is focused that Pallavas shall be considered as experts in rock cut, stone architects, stone temple and the great pyramids might be constructed by **FLYING PALLAVAS** for ecological and astronomical reason for effective control of various planets having headquarters at **KACHCHA THEEVU**.

In the ancient time the Pallavas race shall be considered effectively controlled the relative position of **SUN, EARTH, MOON**, so that they could not subject to much varied environmental conditions. Further the ancient Pallavas race might be lost during the course of time and all the ancient astronomical techniques of controlling various planets shall be considered as lost. It is speculated that present day various disturbed environmental conditions like frequent earth quake, frequent volcanic eruptions, unexpected forest fire, severe wind cyclone may be due to **MISALIGNMENT** in relative position of **SUN, EARTH, MOON**.

**(Ancient Position)**

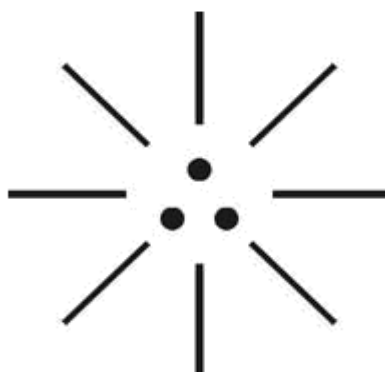

*"The Philosophy of ancient population Agartha stipulated in hollow Earth theory, and various megalithic structures in the lost civilization of Lemuria, Atlantis might be closely associated with ancient Pallavas race civilization. Further the etymology of word pal, pallas connected with astronomical asteroids might be derived from the philosophy of proto Indo-Europe root word PAL-e. PAL-e shall mean fundamental particles PHOTON, ELECTRON, PROTON."*

- Author

### IX. PALLAVAS INVENTED "IDLI"?...

It is focused that Pallavas shall be considered as expert in cultivation of **DARK RICE** and invented tasty food IDLI (2,00,000 years ago). In proto Indo-Europe root Idli shall be called as **ETHILI**.

## ETHILI (Law of Idly)

- (i) Right dot is like Black Gram (**MOON**)
- (ii) Left dot is like Dark rice (**EARTH**)
- (iii) Center dot is like Fenugreek (**SUN**)

The black gram, dark rice, fenugreek shall be considered as **THREE-IN-ONE** medicinal characteristics for regulating **DNA, HORMONE, RNA** respectively.

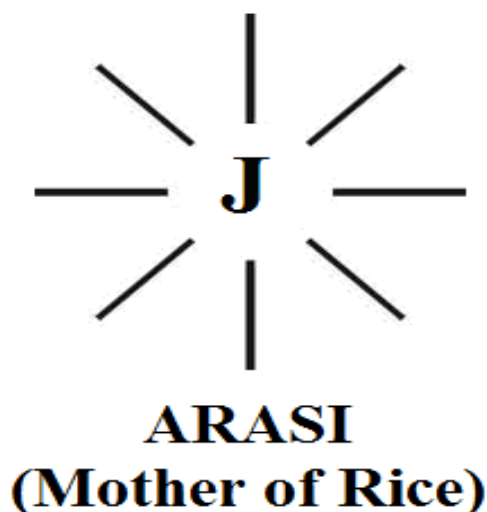

*"Idli shall be considered as having many species like super stone idli, moderate stone idli, soft idli, super soft idli based on relative combination of THREE-IN-ONE recipe"*

*- Author*

#### X. PHILOSOPHY OF "J-RICE"?...

It is focused that J-Rice shall be considered as wild rice, natural rice (absolute white rice) formed in the early Universe due to impact of J-Radiation and shall be considered as free from organic elements such as hydrogen, carbon, nitrogen, ozone. The J-Rice shall be called as mother of rice. In proto Indo-Europe root the J-Rice shall be called as "ARASI". During the course of time the word ARASI might be dialectically pronounced as "ARISI".

The J-Rice shall be considered as highly nutritious and could prevent cancer and other disease like heart attack, other nervous disorder. It is further focused that Kachcha Theevu shall be considered as the source of **DARK RICE** and other coloured rice like **BLUE RICE**, **GREEN RICE**, **RED RICE** might be evolved due to impact of UV, RF, IR in three generations.

(i)

(ii)

(iii)

(iv)

**XI. PHILOSOPHY OF MARCH 8?...**

It is focused that in ancient Ethian culture Female gender was treated equal at par with Male gender and given equal rights. During the course of time Female gender was suppressed and treated as inferior to Male gender, and started harassing the female gender in the society and social life due to egoism on transformation of male pregnancy into Female Pregnancy. In order to avoid male, Female egoism **UNO** declared "**MARCH 8**" as International women day to honour and strengthen the state of woman.

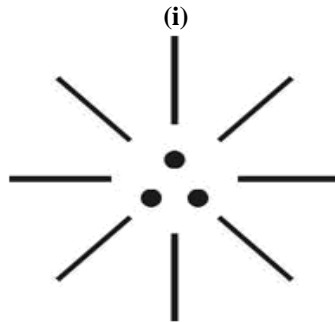

It is focused that the woman who sacrificed themselves to the public life **without married life** shall be considered as **Messenger of God**. March 8 shall be considered as the day of honoring such **woman gods**. Some of the Indian woman to be felicitated on March 8 are indicated as below as an example.  
**ANNAI THERASA, AMMA JAYA, MATHA AMIRTHA, DR. SHANTHA, MUM MAMATHA, SELVI MAYA**

**XII. PHILOSOPHY OF SRI LANKA EVOLUTION?...**

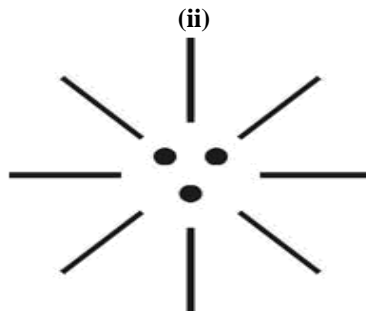

It is hypothesized that the land mass of ancient Sri Lanka shall be called in proto Indo-Europe language as Elankam (1,50,000 years ago). It is speculated that the ancient Sri Lanka shall be considered dominated by single race i.e. **GUPTAS RACE**. During the course of time after origin of Dravidian race the land mass of **ELANKAM** might be called as **THIRI LANKAM** and the Dravidian race might split into three major ethno groups say **Lion group, Tiger Group, Elephant group**.

**XIII. CONCLUSION:**

In ancient **INDO CULTURE APRIL 14** is observed as festival of **TAMIL NEW YEAR DAY**. Further in India various other festivals being observed such as Malayala New Year (Vishu), Telugu New Year, Kannada New Year (Ugadi) being celebrated during the month of **APRIL 14** since ancient time. It is focused that April 14 shall be considered as the new year for the entire global population when Ethians (Ancient Pallavas) shall be considered as descended from white planet from **AETHIANS** (Devas). The Aethians shall also be called by different names such as **God, Alien** and Ethians shall be called as **Lord, Mayan**. The Philosophy of **GOD** and **LORD** shall be distinguished as below.

**DEVAS  
(Alien)**

**ANCIENT PALLAVAS  
(MAYAN)**

*"This scientific research recommends to UNO to declare "APRIL 14" as International day of Immigration of Angels."*

*- Author.*

#### **XIV. PREVIOUS PUBLICATION:**

The philosophy of origin of first life and human, the philosophy of model Cosmo Universe, the philosophy of fundamental neutrino particles have already been published in various international journals mentioned below. Hence this article shall be considered as **extended version** of the previous articles already published by the same author.
