Abstract:- This scientific research article focuses that the entire existence of Cosmo universe and its matters shall be considered as “**Creations**” rather than “**evolution**”. All matters shall be considered as created through “**J-RADIATION**” emanated from the Heart of creator or “**GOD**”. In prehistoric Tamil, the Heart of God shall be called as “**EZHEM**” (Thai-e) and acronymically indicated as below.

This research further focus that the Prehistoric Tamil based Indian populations (ENDOS) lived in “**MARS PLANET**” (the first land origin of Universe) shall be considered as expert in Astrophysics, Astronomy and effectively controlled the **Environmental pollution**. The principle of control system adopted by them being classified under fundamental “**Three Domain**” called “**IAS**”. Each domain shall be considered as composed of billions of “**Sub logics**” responsible for “**Micro management**” in each domain system for ensuring overall “**Balance**” or **system symmetry** of Pollution free universe. It is focused that in the early universe the Universe was very symmetric and pollution free and subsequently due to **growth of matter**, environment pollution started increasing and hence control over particles felt required. “**e-politics**” shall mean systematic scientific study of characteristics of fundamental particles and control over the matter Generation through three domain.

(IAS-Sub logics)

Further in prehistoric time the "ENDOS" shall be considered living under single "Joint family" called "MARS FAMILY". 'E-ACHI' shall be considered as "Ezhem Achi" or "Mother of Mars".

(MARS)

(E-ACHI)

"The Philosophy of Tamil words chularchi, Purachi, Malarchi, Valarchi, Mazhilchi, Thalarchi, Meenachi, Kamachi might be derived from the philosophy of "E-ACHI". The E-Achi shall also mean radiant energy ensuring "Divine and Balanced Rule". - Author

I. INTRODUCTION

It is focused that "ENDOS" shall be considered as the prehistoric human populations lived in MARS PLANET even before origin of first "SUN LIGHT" rays. In "MARS FAMILY" mother shall be considered as the "Prime Authority" (or) "Prime Minister" of the family and the "Key of Treasury" is considered kept under the control of mother. Further in mars family "FATHER" is kept under "Dummy" and simply dancing according to mother's forefinger direction. The children of the mars family are so clever and enjoying all the benefits from mother saying ACHI... ACHI... AMMACHI... and keeping the father in one corner.

During the course of time some of the children started supporting Father and "family politics" started and single joint family started split into **prime three division** in the family. In Mars family the Father shall be called as "E-MGR". E-MGR shall mean "Mars Geo Ruler" who has constructed "Egyptian Pyramids".

- i) ENDO JOINT FAMILY
- ii) INDO MOTHER FAMILY
- iii) INDO FATHER FAMILY

When **INDO family** started growing up, (after marriage of children) more "internal politics" started within the family due to difference of opinion among **mother-in-law** and **daughter-in-law**. It is speculated that the philosophy of "Global Politics" might be (based on Mars family) derived from the characteristics and behaviour of fundamental particles of Universe **Photon, Electron, Proton**.

(Photon, Electron, Proton)

(MIN-ACHI, IAS)

The philosophy of Tamil Word URACHI, ULLACHI, VATTACHI, NAGARACHI, MANNARACHI, MAKALACHI ENGA ACHI, might be derived from the philosophy of "MIN-ACHI". MIN-ACHI shall mean ACHI expert in controlling of particles and Ruler of Mars family. – Author.

III. HYPOTHESIS

a) **Philosophy of Akki-e family?...**

It is hypothesized that every ray emitted from "J-RADIATION" shall be considered as the family of different gene creations of matter. Akki-e family shall be considered as the "fundamental particle" (or) Natural particle family. Some of the Natural families created shall be indicated as below: ("e" stands for EZHEM)

- iii) Right Domain - "A" (Art wing)

"Intelligence" is like Photon dominated (RNA)

“Science” is like **Electron dominated (HORMONE)**
“Art” is like **Proton dominated (DNA)**

Further in Akki-e family strategy the three domain “IAS” shall also be considered as representing three wings, say **Law, Functional, structural** part of the system. Thousands of internet slang words, acronyms, abbreviations based on **IAS** might be derived from the Philosophy of Akki-e family three domain.

It is hypothesized that in the early universe the value of π , e might be rational (Say 3.0) and equal due to Balanced Pollution free environment. During the course of minute expansion and growth of "New Matters" the value of e, π considered consistently varying inversely proportional to each other due to asymmetry.
